2022/10/01	Social Round of Golf		\$2
2022/10/08	Social Round of Golf		\$2

Lone Ranger

In teams of three or four, each player plays their own ball. On a rotational basis one team member is the Lone Ranger. Record the Lone Ranger scores and the best ball from the other three for each hole. The lowest aggregate score wins one prize, then the lowest Lone Ranger score wins the other prize (can not be the same team).

Stableford

Points are awarded for your score on each hole on either a net or handicap basis.
1 point for a bogey, 2 for a par, 3 for a birdie, 4 for an eagle, and 5 if you bag an albatross.
Anything worse than a net bogey, you may as well pick up your ball.

Chapman Alternate Shot

Most important: no player hits the same ball twice in a row. Both players tee off, then play a second shot, but hitting their partner's drive. The team then decides which ball to finish with, using alternate shot.

4-Man Mexican Scramble

All 4 hit their drive. Then use dice to randomly choose which drive you will use. Mark the ball. Everyone will play their next shot from the same spot, including on the green.
